- Constructed with stainless steel screws
Lacey Act compliant, sustainably harvested

This Ipê 2 x 2 smooth deck tile is our most popular product. A classic and tidy style, typically installed in a parquet fashion. The rich and warm brown color and varied grain of these Ipê deck tiles makes any plaza or deck a more inviting space. In addition, Ipê is one of the hardest woods in the world, and has abundant natural oil and mineral content, and because of this, it will outlast every other organic deck product.
